

LED Cooler Light ONN-X3ES

Introduction:

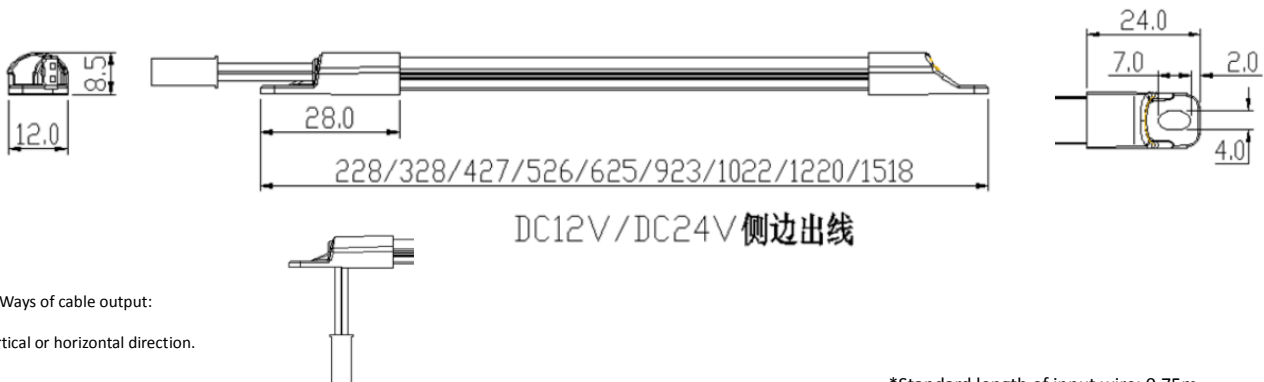

1. ONN-X3ES is designed for cooler lighting.
2. IP65 waterproof, suitable for variety application.
3. Use PC housing and aluminum PCB, safe and durable.
4. Length can be customized according to your application.
5. High lumen SMD2835 LED chip, efficiency up to 100l-110m/w, energy saving.
6. Built-in driver, very convenient for wiring.
7. Normal clips and magnet clips optional, very easy to install.

Application:

Cooler, Supermarket freezer and cabinet

Warranty: 1years

Dimension(mm):

Ordering code:

ONN X3ES - A 1 300 (3.3W)

Model No.

Voltage

A: 12VDC B:24VDC

Color temperature

1.6000-6500K

2.4000-4500K

3.2800-3200K

Length(power)

200: 228mm (2.5w)

300: 328mm (3.3w)

400: 427mm (4.4w)

500: 526mm (5.5w)

600: 625mm (6.6w)

900: 923mm (10w)

1000: 1022mm (11w)

1200: 1220mm (13.3w)

1500: 1518mm (16.7w)

Parameter:

Model No.	ONN-X3ES
Input voltage	12VDC; 24VDC
IP rating	IP65
Beam angle	120 deg
Lumen efficiency	100-110lm/w
CRI	Ra>80
Material	Milky color PC housing
Warranty	1 year
Lifetime	50,000 hours
Working temperature/ humidity	-20~35℃ / 10%-90%
Storage temperature/ humidity	-20~60℃ / 10%-90%
Installation	Stainless steel clips + Screws on cap end

Installation

Install lamp with normal clips or screws, screw hole is **4mm**.
